

BRIEFLY ABOUT US

HOME

At the MAIR STUDIO we offer a full service for all your photography and advertising needs. We specialise in all aspects of photographic & advertising media. Our main customer base is situated around the region of Upper Silesia in Poland, however we accept work and commissions from all over Europe. We treat each project on an individual basis and strive to fulfil each in accordance with your expectations in a professional manner and within your budget.

Our advertising department specialises in all kinds of graphic design, visual advertising, corporate identity including business cards, letterheads, vehicle livery, billboards, brochures, flyers, posters, packaging and business gifts including calendars and Easter or Christmas cards.

PRE-PRESS & DIGITAL

You will find a full service design department adept at creating designs from scratch or enhancing your existing ideas. Our design team can work directly with you to bring your ideas to life.

- graphic design
- illustration & image manipulation
- typesetting and origination
- high resolution scanning and many more...

We not only offer competitive prices on full website design and advertising campaigns but also on social media fan pages and multimedia presentations.

PRINT

We have a well-equipped digital and litho printing house. We always start by sitting down and talking to our customers about all the options to get you the best possible results.

Special attention is paid to short-run publications of books, catalogues etc. You can find our works in many countries of Europe. We can guarantee top quality and competitive prices.

- corporate stationery
- single or folded leaflets
- booklets, brochures
- folders
- books (case and soft bound)
- reprints of old books and manuscripts
- large format posters and billboards

PHOTOGRAPHY

Product Photography is our speciality. Selling on ebay, Amazon or other webshops? We deliver high-quality professional photos at low prices.

Wedding Photography is our passion. When it comes to a session every couple looks forward to having something beautiful... Thanks to our experience and high end technology your wedding photos will be unique.

We also offer a large stock of our landscape and nature images - whatever you need for your design.

BOOKBINDING & RESTORATION

By marrying age old technology and modern materials our bookbinders can restore a range of books and documents to their former glory. Also we offer digitalisation and archiving to CD or customer online databases for old manuscripts and books.

- historical records
- rare books
- bibles and religious manuscripts also
- thesis binding, menu covers, exclusive boxes and all kind of bookbinding works.
